

AC INFINITY

12" Passive Ventilation Grille - Black

AI-FMF120A2

SKU: 172604 UPC: 854759004457

AC Infinity AI-FMF120A2 Frame 7 Passive Ventilation Grille 12in Black is a 11.7 by 6.1 inch metal grille that can be installed into cabinets and walls to help increase ventilation. It can also be used in conjunction with a fan system to act as a passive intake or exhaust vent. The kit includes optional 120mm fan guards and hardware to secure two 120mm fans, the most popular size for computers and DIY applications, onto the grille. To mount your fans and grille into your cabinet or wall, you would need to cut a square hole approximately 10.12 by 5.35 inches. Features a CNC machined aluminum frame with a brushed black finish; pre-secured to a steel honeycomb grille with four screws. Information on the additional included hardware can be found below.

Features:

- Designed to be installed into cabinets or walls to help increase ventilation.
- Can also be used in conjunction with a fan system to act as an intake or exhaust vent.
- Includes optional hardware to secure two 120mm fans onto the grille, and mount it into your cabinet or wall.
- Features a CNC machined aluminum frame with a brushed black finish; and honeycomb grille insert.

Specifications:
