

ILLUMIVUE™ BY MSTR

2MP TVI Bullet Camera with NightColor

TVI2B-NC

SKU: 174359 UPC: 81993201302

Introducing the Illumivue TVI2B-NC 2MP TVI Bullet Camera with NightColor, a cutting-edge surveillance solution that combines high-resolution imaging, advanced night vision capabilities, and reliable performance. Designed to deliver exceptional image quality and versatility, this camera is ideal for a wide range of security applications.

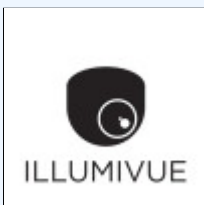

Featuring NightColor technology, the TVI2B-NC enhances its night vision capabilities, preserving the integrity of colors even in low-light environments. This innovative feature enables the camera to produce vibrant and accurate colors, enhancing your ability to identify objects and individuals. With NightColor, your surveillance footage remains clear and informative, providing reliable and effective monitoring day and night.

With its durable construction and weatherproof rating, the TVI2B-NC is built to withstand outdoor environments. Its robust housing protects the camera from dust, rain, and other environmental factors, ensuring long-lasting performance in demanding conditions. Whether it's monitoring the exterior of a building or an outdoor parking lot, this camera is designed to provide reliable security coverage.

The Illumivue TVI2B-NC 2MP TVI Bullet Camera with NightColor is a reliable and versatile security solution. With its exceptional image quality, enhanced night vision capabilities, and durable construction, this camera provides reliable surveillance coverage day and night.
