

## 44 Space DRK Series Rack, 30" Wide 36" Deep

DRK19-44-36PRO

SKU: 14021    UPC: 65674704158

Purpose-built to support high-density cable management, the DRK series rack enclosures has a 30" wide footprint for abundant internal cable space and can accommodate 19" panel width equipment. Specify a DRK for use in network patching and other cable-heavy applications, and where seismic certification and open or removable sides are required or preferred.

### Features

- Fully welded construction for strength
- Racks gang together when fully loaded
- Includes pre-installed cable ducts with hinged steel doors and magnetic closures
- Cable duct is factory mounted in front, can also be mounted to rear
- Cable ducts accommodate copper and fiber cables equally well
- Standard front and rear adjustable cage nut rackrail with numbered spaces
- Includes 100 rack screws
- Includes partially vented locking-rear door
- Includes a MW-10FT

Depth	36"
Height	83.49"
Panel Width	19"
Primary Package Weight	277"
Rack Units	44 RU
UL Load Capacity	2,500 lbs
Usable Depth	28.85"
Usable Height	77"
Width	30"
Gangable	Yes
Material	Steel
Product Configuration	Frame Only
Rack Rail Type	Cage Nut
Rear Door	Yes
Weight Capacity	10,000 lbs
Seismic Rated	Yes
ASCE Number	7-10
Certifications	<ul style="list-style-type: none"> <li>• ASCE</li> <li>• Greenguard</li> <li>• HCAI (formerly OSHPD)</li> <li>• LEED Contribution</li> <li>• UL Listed</li> </ul>
OSHPD Number	96-967

Seismic Load Capacity	755
UL Listing Number	E173107
