## VISTA32 Partitioned Fire & Burglary Alarm Panel Board Only

V32FBPTPCB

SKU: 170079    UPC: 886618166273

The new VISTA-32FBPT provides the ultimate protection for life and property. This fire and burglary control panel supports up to two partitions and up to 32 zones/points using hardwired, wireless and V-Plex® addressable technologies. A diverse line of Resideo initiating devices, notification appliances, communication devices, keypads, RF receivers and relays satisfy a wide range of installation requirements.

The VISTA-32FBPT control is suitable for fire-only applications, as well as for installations requiring integrated fire/burglary systems. It is the perfect solution for medical and professional office buildings, churches and synagogues, banks, schools, strip malls, and factory or warehouse environments.

VISTA-32FBPT is compatible with a number of AlarmNet® communication products for alarm reporting, uploading/downloading and Total Connect Remote Services.

### Features

- Eight hardwired zones standard, expandable to 32 using V-Plex addressable points/zones
- Supports up to 32 wireless zones (fewer if using hardwired and/or V-Plex zones)
- Can control two separate areas independently (2 partitions)
