

Claro RJ45 Cat5E Connector - Black

CON-1P-C5E-BL

SKU: 30205 UPC: 27557263320

This Lutron CAT 5 phone jack connector is designed specifically for use with the Lutron Claro Six-Port Frame, an innovative port consolation system that keeps all your connectors within one receptacle. The Lutron CAT 5 jack offers an 8-conductor wire and an RJ34 registered jack for stable powering and easy installation. It also comes with a one year warranty, and like all Lutron products, this connector has been listed and approved by the UL.
