

Claro Tamper Resistant 15A Duplex Receptacle - Almond

CAR-15-DDTR-AL

SKU: 30115 UPC: 27557778916

This Lutron dimming receptacle features a duplex for dimming both connected loads and a tamper resistant shutter mechanism for added safety and security. Each Lutron dual dimmer offers 15-amp capacity and 125-volt voltage, allowing you to use it as a replacement for most designer receptacles. The soft, clean finish comes in seven varying colors to help match your unique design theme. Please note that this dimmable receptacle features projecting nubs that prevent standard plugs from being used and requires replacement plugs for dimming use.

Features:

- Dimming receptacle
- Resistance.
- 15 A 125 V
- White color
