

Large Flat Panel Swing Arm Wall Display Mount - 25" Extension

PWRUB

SKU: 19094 UPC: 841872051581

Important Notice: This product is special order only. It is non-cancellable and non-refundable.

Allows for viewing flexibility when installing a flat panel display. A great display mount for corporate and home entertainment applications. Standard solutions are for 16" on center wood stud walls. Additional versions available for metal studs and in-wall applications

Feature

- Extends 24.88" from wall and remains low profile in the home position
- Q-Latch Mounting System secures flat panel to mount with a latching flag
- Integrated lateral shift 6" left and right (ships shifted 2.5" to the left)
- Centris Technology provides fingertip tilt adjustments
- Mounting guides provided for a hassle-free installation
- Provides positive latch in home position to keep screen tight to wall
- CableTrac System provides a fast and effective way to route cables
- UL listed for proven strength
- Swivel up to 90° left or right (depending upon screen size)
- Screen can be installed in portrait or landscape orientation (PAC400 accessory can be used to rotate without removing the screen)
