

Assure Lock SL w/ WiFi & Bluetooth - Satin Nickel

YRD256-CBA-619

SKU: 157637 UPC: 81023044639

Upgrade your door with the Assure Lock SL, the slimmest smart lock on the market with a touchscreen keypad for key-free entry. Lock / unlock, share access and see who comes and goes all using your August app, from anywhere! For ultimate convenience, your Assure Lock will unlock automatically as you approach the door and it will relock once the door is closed (with the included August DoorSense installed)!

Features

- Replaces your existing deadbolt with a slim, key free deadbolt with touchscreen keypad no keys to lose, no cylinder to pick
- Lock, unlock, share access and see who comes and goes from anywhere using the Yale Access App - no additional hub needed, WiFi Connect included.
- Your door will unlock automatically as you get home and have your phone on you - If you don't have your phone, just use the keypad!
- Lock, unlock and check lock status with voice assistants including Alexa, Google Assistant and Siri. Alexa can also provide notifications when your battery is running low so you can proactively replace them. Set up smart reorders through Dash Replenishment to make sure you always have replacement batteries when you need them. - No additional hub needed
- Add your Yale Assure smart lock to your smart home system - works with Philips Hue, Samsung SmartThings, Google Assistant, Amazon Alexa and HomeKit.
- Forget copying or hiding keys. Share app access or create unique entry codes for the people you trust. Choose from permanent, scheduled or temporary access and revoke it whenever you need to.
- Comes with the Connect Wi-Fi Bridge so there's no additional hubs needed and it works off your home Wi-Fi
