U2-RP6

SKU: 69170 UPC: 65674703399

The Middle Atlantic Universal Rack Shelf 6 Piece Retail Pack U2-RP6 is a pack of 6 Universal Rack Shelves packaged in a self-merchandising display box. These easy-to-install shelves are designed for 19" racks and fit all components up to 17-3/8" wide. The durable, 16-gauge steel shelves offer a quick and economical option for meeting all of your rack needs.

This convenient contractor panel pack provides a cost-effective and space-efficient means for installers to stock the panels they most frequently use. Designed for convenient access, the panel-pack boxes feature a tear-off panel that allows easy access to individual poly-bagged panels and are designed to stack on warehouse shelving.
