Blue Label Series by Sonance 6.5" Zero Bezel In-Ceiling LCR

S6.5LCR

SKU: 55428 UPC: 819932011981

Introducing the Elura S6.5LCR Blue Label Series by Sonance 6.5" Zero Bezel In-Ceiling LCR Speaker, a revolutionary audio solution that combines cutting-edge technology with a sleek and seamless design. This speaker is engineered to deliver exceptional performance as a Left-Center-Right (LCR) channel system, bringing immersive and balanced sound to your home theater or audio setup.

The Elura S6.5LCR Blue Label speaker features a 6.5-inch polypropylene woofer, carefully designed to reproduce clear and impactful audio across the LCR channels. With dedicated left, center, and right channels, this speaker ensure accurate sound localization, bringing your movies, TV shows, and music to life with remarkable precision and clarity.

Designed with a zero bezel, this in-ceiling LCR speaker seamlessly integrate into any room, providing a clean and unobtrusive look. The absence of visible grilles allows the focus to remain on the immersive audio experience while complementing your interior design.

Blue Label is the collaborative effort of Elura and Sonance (Dana Innovations), the inventor of the in-wall speaker, to create a series of premium architectural speakers. Blue Label provides realistic, true-to-recording sound in every room of your home, regardless if you are listening to music or watching a movie.
