

PERFECT*VISION*®

RG6 CCS 60% 3Ghz, 1000' Reel in a Box
- Black

PVRG6LD-BLK-RIB

SKU: 172184

This black, single, 6 series coax cable has a copper clad steel center conductor and comes in an easy to use 1000' pull box with internal rolling reel. This cable has a UV resistant PVC jacket, a foamed polyethylene dielectric, with foot markings for easy length cuts, is swept tested to 3 GHz, has 60% aluminum braiding, and is 100% shielded. Works great for all of your cabling needs!
