Introducing the Elura R6.5IWZ.2 Red Label Series Performance 2-Way 6.5" In-Wall Speakers, designed to deliver exceptional audio quality and seamless integration into your home audio system. With their powerful performance and sleek design, these speakers offer an immersive listening experience that elevates your audio enjoyment.

The Elura R6.5IWZ.2 features a 6.5" woofer and a 1" tweeter, combining to deliver a well-balanced and detailed sound reproduction. Whether you're listening to your favorite music, watching movies, or playing games, these speakers ensure clear vocals, rich instrumentals, and immersive soundscapes that bring your audio content to life.

Designed for easy installation, the R6.5IWZ.2 fits seamlessly into your walls, providing a clean and unobtrusive look. The slim, low-profile design allows for discreet placement without sacrificing audio performance. Whether you're setting up a dedicated home theater or multi-room audio system, these speakers blend seamlessly into your decor, creating a sophisticated audio setup.

Elura Red Label is the speaker line that pioneered the quest for a no-nonsense, uncompromised sound, combined with the best aesthetics. Our design team compared the sonic and spectral signature of numerous architectural speakers in the industry, identified their deficiencies, and designed a new platform that ensures the Red Label series provides listeners with a stunning, audible experience.
