43" PMF-BC Series Edge-Lit LED Multi-Point Capacitive Touch Display

PM43F-BC

SKU: 73017 UPC: 887276248943

Important Notice: This product is special order only. It is non-cancellable and non-refundable.

Samsung's PM43F-BC is an all-in-one signage solution including an integrated media player and content management tools, plus multi-point capacitive touch technology with up to 10 simultaneous touchpoints. It's built for 24/7 run-time, features IP5X certified dust protection and the bright, non-glare panel offers enhanced readability.

Feature

- Multi-point capacitive touch communication with up to 10 simultaneous touchpoints
- Non-glare panel offers improved visibility of your message
- IP5X certified dust protection provides proven durability for smooth installation without the need for additional housing
- Next gen Smart Signage Platform (SSP) 4.0 powered by Tizen OS for powerful, streamlined 24/7 remote content management
