RF Companion Controller

11-500010-0

SKU: 29131 UPC: 11-500010-0

The iPro.8 is an ideal secondary remote for any Pro Control system. With its programmable hard-button control, this affordable remote delivers reliable control throughout the home.

Features

- RF connectivity delivers instant control of connected devices.
- Extra layer of convenience as a companion remote for Pro Control users.
- Hard-buttons provide tactile control and one-tap access to favorite activities, such as selecting the media input, changing channels, controlling the volume, or adjusting the lights.
- Eliminates the need to navigate between apps on the phone or tablet.
- Can be used with any Pro Control ProLink.z or ProLink.r processor with or without an activated ProPanel App.
