

RPM Elite (Mount Only)

RPMA000

SKU: 62812    UPC: 841872077987

Focusing on speed of installation, these elite mounts are packed with easy-to-use features that save time and maximize projector security.

- The RPMA000 is the top assembly only. For the interface bracket that attaches to your projector see SLMU (universal) or use Chief's MountFinder to determine which model number matches your specific projector.
