with 3-Button Raise/Lower

QSWE-6BRLI-AW

SKU: 128082    UPC: 027557606264

QSWEWALLSTN 6BRL INS AW

Sub Brand: International SeeTouch QS Application: Lighting and Shade control Type: Wallstation Color: Arctic White Mounting: Voltage Rating: Wattage: Actuator: Connection: Gang: Frequency Rating: Standard: Operating Temperature: Special Features: Dual 3-button and 3-button with raise/lower, insert model. Often used control one or more lighting or window treatment zones simultaneously. Large, rounded buttons are easy to use. Backlit buttons with on-button engraving make it easy to find and operate the wallstation in low light conditions. Optional button engraving is angled up to the eye for easy reading. The LEDs next to each button are used during programming and provide feedback when the buttons are pressed. Shade control (E01 engraving) often used to select three different groups of shades using open, close, and raise/lower. Used to control multiple groups of shades independently from a single-gang keypad. Can control Sivoia QS window treatments. Pressing the open or close button once will cause the window treatments to move to their fully open or closed position. Tap any button (regardless of function) to stop a shade that is in motion. One programmable preset button. Receives up to two contact closure inputs via a connector on the back of the wallstation.
