888 SmartCode Electronic Deadbolt with
Z-Wave - Polished Brass (Safe Haven
Only)

98880-006-SH

SKU: 177362

The Smart Code touchpad smart lock with Home Connect technology enables the lock to wirelessly communicate with other devices in home. The lock allows the user (through a third-party smart home controller) to remotely check the door lock status, lock or unlock the door and receive notifications via email or text. Smart Code is a one-touch locking motorized deadbolt. With your personalized code, you can enter your home with the convenience of keyless entry and the back-lit keypad provides increased visibility. Smart Code is easy to install, program and use, and operates on 4 AA batteries. It also features Smart Key Security as the back-up keyway. The Lifetime Polished Brass finish adds to the traditional look and feel of the product and makes a classic statement. Drill resistant

The 98880-006 Polished Brass Deadbolt from Kwikset Features:

- Lock or unlock your door from anywhere with a supporting smart home system using your phone
- Expanding your security system solution with Home Connect technology, your key less entry lock will now communicate wirelessly to security and home automation systems via Z Wave
- Up to 30 programmable user access codes for family and guests to use at the door
- Get notifications when someone locks or unlocks your door or check if your lock is locked
- Featuring SmartKey re-key technology; re-key the lock yourself in seconds in 3 easy steps
- Comes with a lifetime mechanical and finish warranty and a one year electronics warranty
- Note: Please refer the installation manual below for better use
- Manufacturer SKU: 98880-006
