

12 Space L2 Series Lectern w/ Connectivity - Knotted Maple

L2LDC2CCMKM

SKU: 67693 UPC: 65674731085

The L2 Series Lectern is the only budget-friendly lectern that comes complete with a rack, thermal and cable management and connectivity, delivering the Middle Atlantic hallmark of support and security for AV systems. The contemporary, Sota style design paired with durable melamine material delivers an aesthetically-pleasing option optimized for mobility. Available in easy-to-order, pre-configured models with or without a flip up shelf for additional surface space, the L2 Series Lectern delivers an affordable, all-in-one solution that supports presentation delivery in any room or auditorium.
