

3 Space Partially Vented Rack Shelf

U317

SKU: 20906 UPC: 65674702275

The Middle Atlantic Vented 3U Rack Shelf U317 is a versatile, rack shelf with a rear, slotted flange for horizontal cable management. It is constructed from 16-gauge steel, will hold up to 60 lb. of equipment, and features a black, powder-coat finish. Venting in the bottom panel provides ample air flow and keeps equipment cool.

Features

- 16-gauge steel construction
- Increased Air Flow
- Use this versatile shelf to mount your equipment, even items that were not designed for rack-mount use
