

19 Space AXS Series In-Wall Slide Out Rack

AXS-19

SKU: 28241 UPC: 65674700217

Specify an AXS when installing audio and video equipment flush into a wall or cabinet; ideal for larger systems. The patented pull-out design provides access to rear equipment connections. Entire bays of equipment can be rolled out for service and installation flexibility.

Features

- Unique interlocking corner joint for exceptional strength and easy assembly
- Service stand raises service tracks to bottom of AXS, allowing it to pull out
- Service tracks include built-in level to save time
- Removable rack frame can be integrated off-site to save time
- Articulating cable carriers provide effective cable management (non-rotating models only)
- Standard fixed front and rear 10-32 threaded rackrail with numbered spaces
- Service tracks and stands sold separately
