

RadioRA 2 4-Speed Quiet Fan Control - White

RRD-2ANF-WH

SKU: 38834 UPC: 784276040471

RadioRA 2 local controls function much like standard dimmers and switches, but can be controlled as part of a lighting control system. Local lighting controls are useful in locations where single circuits of lighting need to be dimmed or switched. Local fan speed controls are useful in locations where control of a single ceiling paddle fan is needed. RadioRA 2 dimmers incorporate advanced features such as fade on / fade off, delayed long fade to off, and rapid full on. RadioRA 2 local controls include a Front Accessible Service Switch (FASSTM) for safe lamp replacement. RadioRA 2 local controls install in single-pole or multi-location applications. Remote dimmers / switches are available for multi-location control.

Features

- Provides local control and can be used in single-pole or multi-location applications
- Controls ceiling fans up to 2 Amps
- Provides four quiet speeds plus off for enhanced comfort
- No additional wiring or canopy module required
