6-Outlet Half Width Enclosure Power Strip Module

AC1031

SKU: 43073 UPC: 804428067856

This power strip includes six AC power receptacles to connect power supplies in the low voltage enclosure

Features

- Designed to power up to six devices
- Package includes three IEC C13 adapters and one IEC C7 ("figure-8") adapter to vertically stack On-Q power supplies neatly in the enclosure
- Half-width size allows two modules to be mounted side-by-side in the enclosure
- Power switch controls all outlets with overcurrent protection
- 15A/UL rated
- For a total surge protected solution add the 364569-02-V1 Surge Protected Duplex Outlet Kit
