

18-24" Adjustable Extension Column

CMS018024

SKU: 6938 UPC: 841872092737

Chief CMS018024 18-24" Speed-Connect Adjustable Extension Column Threaded on both ends, the black Chief CMS-018024 is a 18 - 24" (45.7-60.9cm) adjustable extension column that can be used with any 1.5" NPT accessory to lower a projector or flat panel display to a desired height. Includes a continuously adjustable notch for length changes (1" increments) without disassembly, aluminum construction for fast and easy installation, and flow-through cable management with an integrated port for routing cables. Supports up to 500 pounds.

Features:

- Revolutionary notched design allows for lightning-fast height adjustments without disassembly
- Aluminum construction for easier installation - also saves on shipping costs
- Flow-through cable management with an integrated port on one end for routing cables

Specifications:

- Length: 18 to 24" / 45.7 to 61 cm
- Threading: 1.5" NPT
- Load Capacity: 500 lb / 227 kg
- Material of Construction: Aluminum
