

8" 2-Way High Output Pendant Speaker with 70V Transformer - White

PM8CX-WH

SKU: 25254 UPC: 612079188499

Model PM8CX-WH includes the AtlasIED 8CXT60 compression driver coaxial speaker which provides excellent efficiency exceeding 92dB 1W/1m. The 8CXT60 also offers a desirable tighter 90 degree conical coverage pattern in the 2kHz octave band for great coverage performance in ultra high mounting locations up to 30'.

Features

- 70.7V Taps @ 7.5, 15, 30 & 60 Watts Plus 8-ohm
Direct Input via Concealed Terminal Block
- 8" 8CXT60 Driver Provides 90 Degree (45 Degree Off-Axis) Coverage in the 2kHz Octave Band
- 3 Meters of 2mm Cable & Mounting Hardware Included
- Compatible with Standard 3/4" Ceiling Fan Hardware
- The Best Solution for High Ceiling Applications

Speaker Type	Compression Coaxial
Sensitivity	92dB Average
Frequency Response	55Hz - 15kHz
Impedance	7.5, 15, 30, 60 Watts & 8ohm
8? RMS Power	150 Watts
Dispersion	90°
Height	16 5/8" (42.2148 cm)
Diameter	12 1/4" (31.115 cm)
Shipping Weight	21.00 lbs (9.53 kgs)
