

## 2'x2' Drop Tile Speaker Package

DT22

SKU: 55589    UPC: 612079190744

Installer friendly AtlasIED DT22 provides clear paging and background music in a labor saving package. Ideal for use in shopping malls department stores and anywhere large quantities of loudspeakers are to be utilized.

The AtlasIED DT22 2 x 2 drop in loudspeaker system simplifies loudspeaker installation by providing an all in one loudspeaker package in acoustic ceiling grids. The system includes the loudspeaker / transformer enclosure and grille. Enjoy clear crisp paging and background music from the installation friendly DT22 without compromising building cosmetics.
