CAT5E 350 MHz 24 AWG SOLID 4PR UTP, TIA/EIA 568-C.2, CMR ETL, PVC JKT- BLACK-1000 FT BOX

Product Information

SCPs Category 5e (Cat5e) UTP (unshielded twisted pair) cables are manufactured and tested to meet TIA/EIA 568-C.2 Category 5e and ISO/IEC 11801 Ed2 Class D standards.

Each Cat5e UTP cable is performance optimized with 4 balanced twisted pairs on 24 AWG insulated solid bare copper conductors. SCP Cat5e UTP cables are constructed to create a round and flexible cable for easy pulling and stripping of the PVC jacket.

All Cat5e UTP cables are packaged in our award winning Pull Box with guaranteed tangle free pulling. These cables are ETL and CMR rated.
