

## Maestro Accessory Switch - Light Almond

MA-AS-LA

SKU: 74689    UPC: 27557082716

The Maestro companion dimmer switch is designed to compliment a Maestro switch or a 6A or 8A Maestro wireless multi-location switch. The easy-to-operate tap switch turns lights on and off to your favorite light level or tap twice for full on. Press, hold and release the switch for delayed fade-to-off. Delayed fade-to-off gives you 10-60 seconds to leave the room or get into bed before the lights go out. Up to 9 companion switches can be linked to a Maestro or Maestro wireless switch, for a total of 10 areas of control.

### Features:

- Use with a maestro wireless multi-location switch for light or fan control from up to nine locations
- Up to 9 maestro companion switches can be linked to a maestro or maestro wireless multi-location switch
- Power failure memory (maestro remembers your settings even after a power interruption)
- Works with virtually all existing wiring
- Stylish appearance
