

## Fan Thermostat

CFT-125

SKU: 25025    UPC: 612079164141

The Atlas-Sound CFT-125 thermostat provides ventilation control of fans or other cooling equipment. The unit will automatically shut off fans when they are not needed. This cost-savings feature results in longer fan life, fewer filter changes, and reduced electrical usage. The CFT-125 fan thermostat includes a special 3-wire extension cord with series plug for automatic operation. It is also equipped with a wire hanger and keyhole mounting slots for versatile and easy installation.

### Features

- Easy Installation Using Mounting Hanger and Keyhole Mounting Slots
- Easy-to-Read Adjustable Dial Settings from 40° to 90°F
- Maintenance-Free Reliability
- Reduces Fan Noise
- Regulates Cooling Devices for Energy Savings and Consistent Operation
- UL Certified, Safety Listed to UL873
