

Tane

TC WH Stubby "Button Ball" Reed
Contact - White

22TC-WH

SKU: 27826

If you are looking for a push-button type of switch then the TANE 22TCWH 3/4" is what you need. You don't have to worry about using a magnet. Whenever a window or door is open the button pops out and opens the circuit creating a condition in the main panel.

Features

- Complete with Spacer and Screws
- Shorter length for tight fitting areas
- Terminal connections
