ProSeries Wireless Glassbreak Detector

PROSIXGB

SKU: 170126 UPC: 194160000069

Part of the PROSiX series home security system, this wireless motion detector is equipped with glass break sensors and an alarm siren for increased security in your customer's home. A battery pull-tab, auto-enrollment and no-touch adjust remove the potential for errors and promote easy installation.

Features

- SiX Two-Way Wireless Technology employs 128-bit AES encryption
- System Health Check feature allows monitoring of device signal strength, sensor settings, temperature and battery life remotely via AlarmNet 360
- Devices can be configured remotely as needed, reducing the need to schedule on-site visits
- Mounting hardware is included
- Transmission Range - 300 ft (92 meters) plus
- LED Indicators - Yes
- Detection Pattern - 25 ft (7.6 meters) radius
- Temperature Sensing Capable - Yes
- Frequency - 2.4 GHz
- Encryption - 128-bit AES
- Battery Life - Five years (typical use)
- Power Requirements - 3 volt CR123 battery (Qty 1)
- Tamper-protected
- Dimensions - 3.7" diameter x 1.1" depth/
96mm diameter x 29mm depth
- Approval Listings - FCC/IC, ETL Listed to UL 639, cETL Listed to ULC-S306
