Outdoor or Indoor Junction Box

WALL-BACK

SKU: 178682 UPC: 819932013381

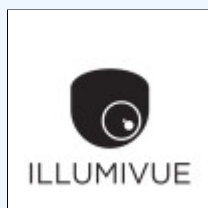

Introducing the Illumivue WALL-BACK Bullet Junction Box, the ideal accessory for seamless and secure installation of your bullet cameras. Designed with durability and functionality in mind, this junction box offers a convenient and professional solution for mounting your cameras.

The Illumivue WALL-BACK Bullet Junction Box is specifically engineered to provide a robust and reliable housing for your bullet cameras. Whether you need to monitor outdoor spaces, entrances, or parking lots, this junction box ensures a secure and protected installation. It is compatible with a wide range of bullet camera models, making it a versatile choice for various surveillance setups.

Crafted with durability in mind, the Illumivue WALL-BACK Bullet Junction Box is built to withstand the elements. It is constructed from high-quality materials that offer exceptional resistance to harsh weather conditions, ensuring reliable performance in rain, snow, and extreme temperatures. Your cameras will remain securely mounted and protected against environmental factors.

Compatible with:

- IP4BDL-NL
- IP4BVF-NL
- IP5BVF-NC
