

## Ceiling Box Cover

CP3540

SKU: 48517    UPC: 18997540904

Arlington's non-metallic CP3540 ceiling plate cover works with most fan and fixture boxes, as well pan boxes without the need to cut the post.

The bracket design features 'A' and 'B' openings that allow for use on flat ceilings, and uneven or textured ceilings.

### Features

- Non-Metallic
- Non-rusting, scratch-free plastic, Paintable to match ceiling
- Fits 3-1/2" and 4" round or octagonal boxes.
- No screws show on the ceiling plate. Delivers a clean-looking installation
- Two #8-32 x 3/4" screws and one mounting bracket are included.
- Width: 5.390"
