

# SONOS

Beam + Play:5 Long Power Cable 11.5' - White

PC70LUS1

SKU: 165352    UPC: 878269006664

Place the Sonos PLAY:5, Beam, or Amp further from the power source with this 11.5' black Sonos Long Power Cable. Its length is particularly useful when mounting the speaker on an optional stand.

## Features:

- Increased length lets you place the speaker farther away from a power outlet
- Designed to blend in, this cable features the same color and finish as your black device
