

SAVANT

4K HDR HDBaseT Matrix Switcher 8 x 8

SLN-88VLC4K-00

SKU: 162228 UPC: 863184001856

The new 4x4 and 8x8 Savant 1U HDBaseT matrix switches use a single Cat5e/6/7 cable to distribute HDMI control, providing seamless quality and distribution. All Inputs/Outputs support 4K60 4:4:4 with HDR and include audio de-embedding to TosLink outputs. 40 and 100 meter HDBaseT VLC Receivers are available.

Features

- All Inputs / Outputs support 4K60 4:4:4 with HDR
- First Four Ports are mirrored
- Audio De-embedding to TosLink outputs
- 1U Form Factor
- 8 IR Inputs
- IP or RS-232 controlled
- Works with Standard Savant HDBaseT receivers
- Works with 40 meter or 100 HDBaseT VLC Receivers
