Beam + Play:5 Short Power Cable 1.6' -  
Black

PC70SUS1BLK

SKU: 165355    UPC: 878269006718

Reduce cable clutter around the Sonos PLAY:5, Beam, or Amp with this 19.7" black Sonos Short Power Cable. Its short length is particularly useful when placing the speaker on a shelf near an outlet.

## Features:

- Shorter in length, this cable helps eliminate the need to hide or manage excess cord slack
- Designed to blend in, this cable features the same color and finish as the black device
