Peace of Mind

This Honeywell Home Personal Medical Transmitter from Resideo can be used with a belt clip, lanyard, or wristband. It is part of the SiX Two-Way Wireless Technology family, which includes a broad selection of devices for intrusion, life safety, and property protection, giving users immediate and convenient access to important system functions.

Features

- SiX sensors feature a battery pull-tab, auto-enrollment and no-touch adjust to speed installation and eliminate errors
- Devices can be configured remotely as needed, reducing the need to schedule on-site visits.
- The System Health Check feature lets you monitor device signal strength, sensor settings, and battery life anytime, anywhere via AlarmNet 360, letting you quickly and proactively troubleshoot.
- SiX Two-Way Wireless Technology employs true, 128-bit AES encryption for a high level of security.
- Reduce truck rolls with user-replaceable batteries and the ability to remotely adjust sensor parameters and download software updates.
