

Designer-Size Blank Insert - Midnight

SC-BI-MN

SKU: 36857 UPC: 27557462242

This Lutron Claro Blank Insert is designed to match all your designer wallplates in the Lutron Claro satin series. Featuring sleek, smooth coloring that's UV stable, this Lutron blank insert helps keep all your unused ports covered and protected while creating a flush, seamless design that doesn't protrude. The Lutron SC-BI blank insert is easy to install and leaves you with a smooth, sophisticated surface that shows no visible hardware. Each one comes with a one-year warranty and is available in 20 designer satin shades.

Features:

- UV stable color
- One-year warranty
- UL listed
- Wallplate sold separately
