

Series Fixed-Position Mount for 42" - 90" Panels

VLL5-B1

SKU: 156361 UPC: 793795526236

Mount your 51 to 80" display only 0.91" from the wall with the black Sanus Premium Series VLL5-B1 Fixed Wall Mount. It supports displays up to 125 lb with 200 x 200 to 600 x 400mm mounting patterns. It provides post-installation lateral shift based on the displays hole spacing and leveling adjustments.

Features:

- Level adjustments allow to level your display after installation
- Brackets adjust side-to-side within the wall plate
- Kickstands hold the display away from the wall to create room to attach cables
- Built-in locking mechanisms for added security
- Suitable for viewing your display at eye level
- Positions your display only 0.91" from the wall
