Ray Compact Soundbar - White

RAYG1US1

SKU: 178999 UPC: 840136802839

Upgrade TV, music, and gaming experiences with this impressively compact and easy-to-use soundbar.

Experience precisely balanced sound, including crisp dialogue and solid bass, plus streamlined control with a TV remote, the Sonos app, Apple AirPlay 2, and more. It only takes two cables and a few minutes to get set up, and the forward-facing acoustics make Ray ideal for an enclosed space, like a shelf in the TV stand. Enjoy the flexibility to create a Sonos system over time when and add speakers for surround sound and multiroom listening.

Features

- **Jam-packed with power**

Experience astonishing clarity and fullness from a small standalone soundbar that balances two high-performing tweeters and a pair of meticulously engineered woofers with patented anti-distortion technology.

- **Crisp dialogue so the listener can always follow the story**

Never miss a word thanks to fine-tuning by leading Hollywood sound engineers and Trueplay software that adapts the sound for the unique acoustics of the space. For even greater clarity, turn on the Speech Enhancement setting in the Sonos app.

- **Dynamic sound that enhances the drama**

- **Zero-stress setup**

Go from unboxing to unbelievable sound in minutes. Just plug in the power cable, connect the TV, and open the Sonos app. It does most of the work for you.

- **Forward-thinking design for the perfect fit**

Neatly tuck the soundbar into the media stand or mount it to the wall. All the acoustic components face forward to minimize interference from nearby surfaces.

- **Works with the TV**

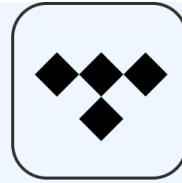

Connect Ray to virtually any TV with optical output, and use existing remote to control the sound.

- **Stream music too**

When the TV is off, play music, podcasts, radio, and audiobooks over WiFi using the Sonos app, Apple AirPlay 2, Spotify Connect, and more.

- **Great quality when quiet**

Turn on the Night Sound setting in the Sonos app to reduce the intensity of loud effects and keep dialogue clear.
