

## RadioRA 2 8A Neutral Switch - Taupe

RRD-8ANS-TP

SKU: 36699    UPC: 275577718010

RadioRA 2 Maestro local controls function much like standard dimmers and switches, but can be controlled as part of a lighting control system. Local lighting controls are useful in locations where single circuits of lighting need to be dimmed or switched. Local fan speed controls are useful in locations where control of a single ceiling paddle fan is needed.

RadioRA 2 Maestro dimmers incorporate advanced features such as fade-on/fade-off, delayed long fade-to-off, and rapid full-on. RadioRA 2 Maestro local controls include a Front Accessible Service Switch (FASS) for safe lamp replacement. RadioRA 2 Maestro local controls install in single pole or multi-location applications.

### Features

- 8 A Neutral Wire Electronic Switch
- Dimmers and switches communicate with the system through Radio Frequency (RF) and must be located within 30 ft (9 m) of a repeater.
- System devices operate on frequencies between 431.0 MHz and 437.0 MHz.
- Use Lutron Designer (Claro or Satin Colors) wallplates or designer-style wallplates from other manufacturers.

\*Wall plate sold separately
