Lutron Tamper resistant receptacles

Coordinate your lighting controls and switches with receptacles to complement your decor. This receptacle has a tamper resistant shutter mechanism to prevent someone from sticking something into the receptacle and causing harm. Balance the elements of color and texture in a room with controls that seamlessly pull everything together. Satin Colors accessories are perfect for every room of your home. Available in 20 satin colors, your receptacles become beautiful accessories that let you coordinate and customize the look of each room in your home. Installing a receptacle is easy and can be done under 15 minutes.
