VISTA-15P Alarm Package Kit-1

V15PWRLSPK1

SKU: 62088 UPC: 781410678361

The versatile VISTA-15P offers options to send alarm signals, upload/download capability, and remote services via IP, 4G or LTE communications, improving the speed at which information can be delivered to and from the control panel. This maximizes system longevity and reduces service calls and future upgrade costs. The VISTA-15P has the broadest array of residential hardwired or wireless sensor zone options that protect life and property, creates awareness and convenience with environmental options like thermostat, water shut-off and lighting control, as well as advanced functions like audio control via Denon. VISTA also offers fixed-English, custom Alpha or touchscreen keypad displays, two-wire smokes detectors, connected home support through Tuxedo Touch® with the ability to customize system actions, and events using scene control.

Features

- IP and cellular radio alarm reporting and upload/download capability via LTE
- Z-Wave® thermostats, lights, locks, water shut-off, garage door, shades and audio control via Tuxedo Touch and VAM
