

3 Bay Frame for C5 Series Credenza, 27" Deep

C5-FF27-3

SKU: 66643 UPC: 65674721994

The steel constructed Middle Atlantic C5-FF27-3 3 Bay Frame for C5 Series Credenza Rack is an equipment rack frame designed for the C5 Series Credenzas with a 27" Depth. Each of the three rack frames holds 14 RU worth of standard equipment kept cool with a quiet blower style fan in each bay. The fans are temperature sensitive and provide 150 CFM of airflow to keep your gear within operating temperature. The fans only turn on when temperatures rise to 87°, then turn off at 85°. Four casters are included to wheel the assembly for transport.

Features
