

## 8" Flanged Round Enclosure

96-8

SKU: 24918    UPC: 612079127283

AtlasIED 96-8 is a cost-efficient cylindrical protective enclosure that mounts a variety of AtlasIED grilles. Welded CRS construction with painted finish. Units are undercoated and patch-jute lined to eliminate mechanical and acoustical resonances.

### Features

- Cost-Efficient Cylindrical Protective Enclosures that Mount a Variety of Atlas Sound Grilles
- Mounting Holes Located on the Internal Plaster Flange to Allow Easy and Convenient Installation
