

SAVANT

New Construction Mount for CLI-W210 & CLI-W200 Thermostats - Black

028-1-392-BL

SKU: 170328 UPC: 850002419627

Savant 028-1-392-BL New Construction Mount for Savant Thermostat CLI-W210 & CLI-W200 Black is an adapter for inwall nearly flush retrofit installation of a CLI-W200 thermostat and firmly mounts the CLI-W200 thermostat while allowing easy insertion, removal and operation.

Features:

- Thermostat should be connected to a remote temperature sensor.
- Nearly flush with the wall (4mm [0.16"] thick on-wall bezel).
- Allows easy insertion and removal of the thermostat.
- Bezel attaches magnetically to the retrofit wall mount base.
- The bezel is supplied painted black.
- Designed for the use with CLI-W200 thermostat (by Savant) (thermostat is not included).
