

6-9" Adjustable Extension Column

CMS006009

SKU: 12935 UPC: 841872092614

Threaded on both ends the black Chief CMS-006009 is a 6 - 9" (15.2 - 22.8cm) adjustable extension column that can be used with any 1.5" NPT accessory to lower a projector or flat panel display to a desired height. Includes a continuously adjustable notch for length changes (1" increments) without disassembly aluminum construction for fast and easy installation and flow-through cable management with an integrated port for routing cables. Supports up to 500 pounds.

Features:

- Revolutionary notched design allows for lightning-fast height adjustments without disassembly
- Aluminum construction for easier installation - also saves on shipping costs
- Flow-through cable management with an integrated port on one end for routing cables
