## SmartControl RS485 Wired Shade Controller

SSC-002485-00

SKU: 159990    UPC: 728028292749

The SmartControl RS485 provides a wired solution for communicating with Savants wired shade motors. This provides 2 independent control ports to support larger installs, as well as additional GPIOs and Relays for accessory control.

### Features

- 2 RS485 ports
- 3 Relay ports
- 7 General Purpose IO (GPIO) ports
- 1 Ethernet port
- Compact, surface mount design
