

## 4K HDMI Extender Over Single Cat6

CS-HDEXT4KPOEU

SKU: 175257    UPC: 08642941972

Extend your 4K signal up to 50 meters over a single Cat6 cable with this cost-effective HDMI® extender. For 1080p resolution you can go even farther, extending the signal up to 70 meters. For an easier installation, power is only required on a single side for the transmitter.

### Features

- Extends HDMI® signals up to 70 meters over single Cat6
- Supports 4K/60 HDR up to 50 meters and 1080p up to 70 meters
- HDMI® loop out on the transmitter (used for connecting another display)
- Includes US compatible IR emitter and IR receiver for bi-directional IR support
- Power is only required on transmitter
