5MP TVI Turret Camera with NightLight

TVI5T-NL

SKU: 174360 UPC: 81993201303

Introducing the Illumivue TVI5T-NL 5MP TVI Turret Camera with NightLight, a state-of-the-art surveillance solution that combines high-resolution imaging, enhanced night vision capabilities, and reliable performance. This camera is designed to provide exceptional image quality and comprehensive security coverage, making it an ideal choice for a wide range of applications.

This camera boasts NightLight technology, which features two bright LED lights and extra-large aperture that greatly improves the camera image in near-dark situations while deterring criminals. This innovative feature ensures that you capture detailed and accurate images even in complete darkness, providing you with 24/7 surveillance coverage.

With its robust construction and weatherproof rating, the TVI5T-NL is built to withstand outdoor environments. Its durable housing protects the camera from dust, rain, and other environmental factors, ensuring reliable performance in demanding conditions. Whether it's monitoring the exterior of a building, a parking lot, or any outdoor area, this camera is designed to provide dependable security coverage.

Illumivue TVI5T-NL 5MP TVI Turret Camera with NightLight is a powerful and reliable security solution. Its exceptional image resolution, enhanced night vision capabilities, durable construction, and advanced features make it an ideal choice for those seeking comprehensive surveillance coverage.
