

PROFICIENT.

Protege 6.5" 75 Watt In-Wall Speaker

PAS21667

SKU: 170734 UPC: 664254014451

The W667 is so affordable you can use it in any (or every) room in any home yet it still delivers that classic Proficient sound. A polypropylene-cone woofer cranks out solid bass performance, and a soft-dome tweeter produces clean, sweet highs. High sensitivity gives you the same volume with half the amp power.
